**ENGAGE THE WIDER COMMUNITY
& CONTRIBUTE IN A MEANINGFUL WAY**

The West Vancouver Art Museum is a recognized leader in presenting West Coast Modern architecture, and visual art of West Vancouver and the Squamish Nation. We work to build awareness of diverse forms of contemporary and historical art, architecture and design, engaging audiences with issues and ideas central to this community and to the world beyond.

“Mr. Coupland: This exhibit – extraordinary, capturing the aesthetic of that decade so accurately! I graduated WVSS '81, so we have a similar background. These photos HAUNT me and I adore them! You're a Canadian treasure, and so well deserving of your O.C. designation, BRAVO to your artistic longevity!”
